Financing Investment in Africa

Overview of EIB activities outside of the EU

Richard Amor

February 27th 2019, Lisbon

Cofinanciado por:

The EIB: the EU Bank with a global reach

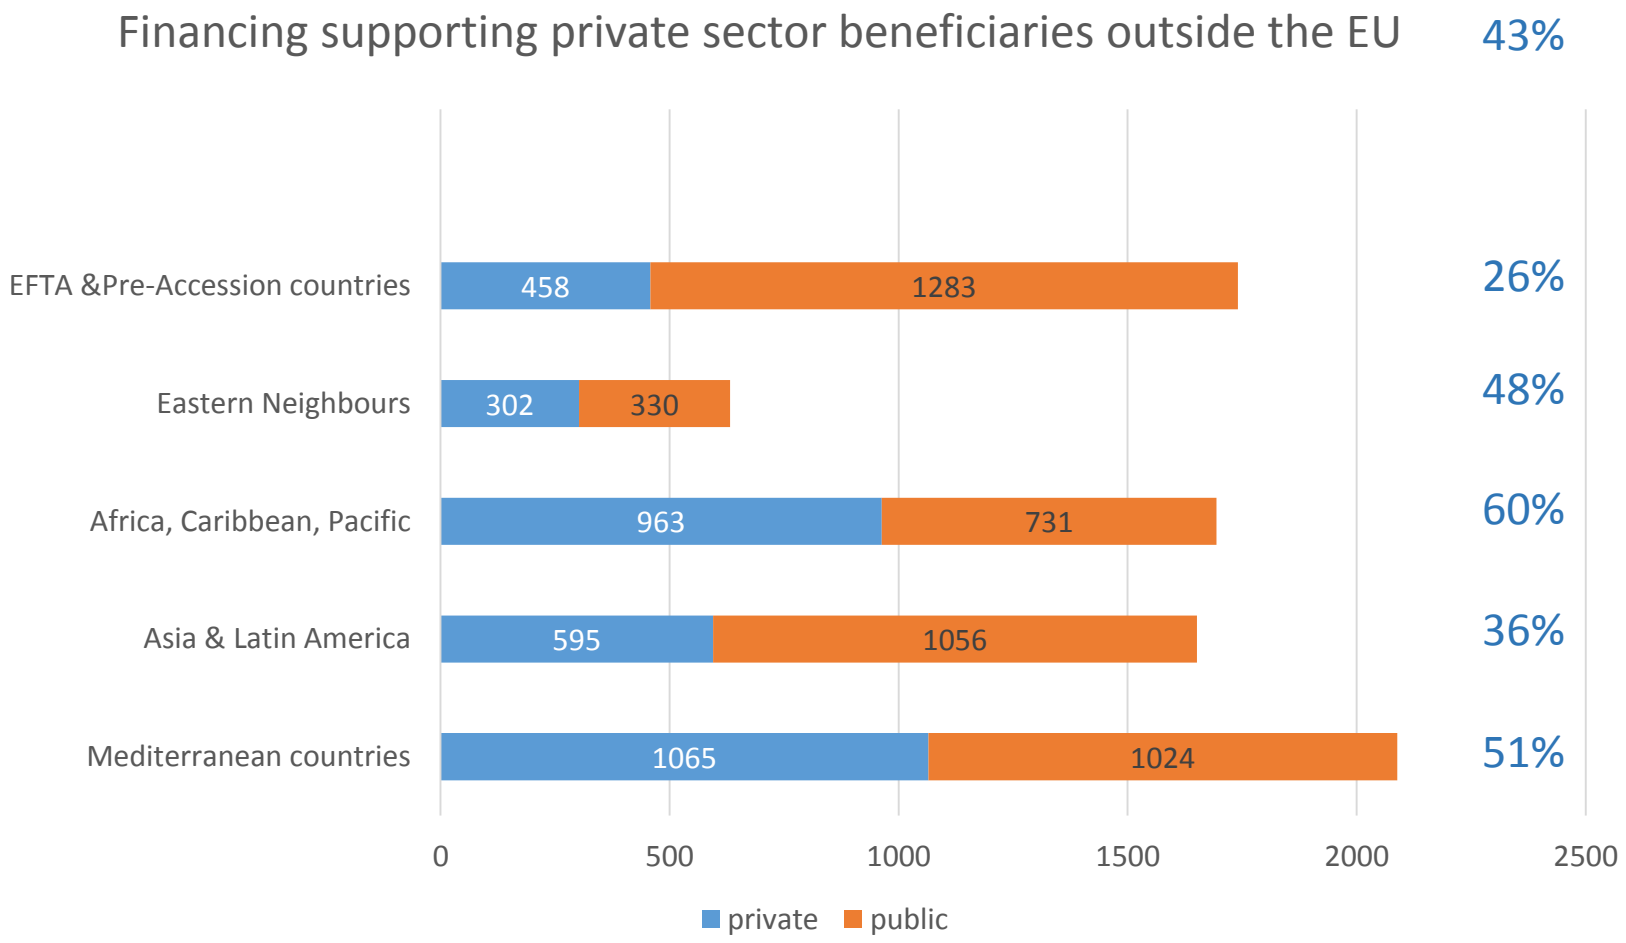
- Owned by the 28 EU Member States
- Natural financing partner for the EU institutions since 1958
- Active outside the EU since 1963
- Operating in over 160 countries
- Around 10% of lending supports development projects (EUR 8.1bn in 2018)

EIB activities outside the EU

- Contribute to the **implementation of the EU's external policies**
- Account for a **27% of total EU Official Development Assistance (ODA)**
- Aligned with the **EU Global Strategy**, the **New Consensus for Development** and the **UN 2030 Agenda for Sustainable Development** (**Sustainable Development Goals**)
- Adapt quickly and incorporate the **EU and Member States' priorities**:

  - **Migration/forced displacement**
  - **Sustainable Energy** and **Climate Action**
  - Inclusive, sustainable **economic growth** and **job creation**
  - **Women and youth** empowerment
  - Key development drivers, including: **agriculture**, **value-chains**, **digitalisation**, **industrialisation**, **urban development**
  - **Private sector support** and access to finance
  - **Infrastructure** as enabler for private sector investment
  - **Regional Integration**
  - Combining a **focus on the poorer states** (including fragile states) with **innovative partnerships with middle income countries**

Financing the public and the private sector



EIB in Africa: Our Priorities

Support for SDGs | Climate Action | Resilience | European Economic Diplomacy

Gender: protect, impact, invest

Sustainable economic development

Private sector development

- Support to small and medium enterprises and midcaps
- Support to corporates
- Project Finance
- Agriculture, digital economy, health, education
